School Camp Program

11 July 2024

Dear year 5 and 6 families,

The camping program offered to students in Years 5 and 6 each year are an integral part of our co-curriculum program. The camps are designed to allow students to experience activities that will require risk taking, leadership, team work, independence and problem solving.

Year 5 and Year 6 Camps

In 2024, we are planning separate three day and two-night camp experiences which allows students the opportunity to participate in a variety of activities on land and on/in water. These may include archery, climbing wall, ropes courses and team building games. The camps are planned for venues on the Sunshine Coast.

All activities are led by professional and well qualified camp instructors. Students are accompanied by Coorparoo State School teachers and staff.

The anticipated costs for camps are \$350.00 - \$420.00.

Camp Dates:

Year 6

QCCC Mapleton (Rainforest) <https://www.qccc.org.au/discover-mapleton/>

- Wednesday 16 October – Friday 18 October 2024

Year 5

Alex Park in Alexandra Headlands (Beach) <https://alexpark.com.au/what-we-offer/school-groups/>

- Wednesday 30 October – Friday 1 November 2024

As planning commences, it is vital for every family and every student to understand that attendance at the camp will be determined by their capacity to demonstrate daily and independently all of the school wide expectations of SOAR: being safe, organised, an active learner and responsible.

Each student's behaviour, their willingness to give things a go, set goals, encourage all others, work within a team (which will most likely include students other than their direct class mates and friends) and most importantly follow instructions, will **all** be considered before an invitation to attend camp will be offered.

Later this term, families of students who have been invited to attend camp will receive all of the required information including final costs, confirmed activities, daily schedules, as well as consent, medical and dietary forms.

In the interim, if you do have any questions, these can be directed to your child's class teacher.

Yours sincerely,

John Kennedy
Deputy Principal
