

Dear Parents and Carers,

We are pleased to introduce a new district representative school sport program providing students with opportunities to represent our region across a wide range of sports.

Our School is now affiliated with the following district: **Central Sharks**

### About Metropolitan East School Sport

- One of 12 regions coordinating representative school sport across Queensland
- Open to students from any affiliated school, regardless of system
- It covers a broad area from the Bay Islands to Logan City (some schools outside these boundaries remain members)

### How district sport works

- Students are first nominated through their school to attend district trials (Must be born **2014, 2015 or 2016**)
- Districts nominate athletes to regional trials, where Metropolitan East teams are selected
- Students must know their district and trial details to participate

### New districts for 2026 (ages 10–19)

- Central Sharks
- Mt Gravatt Echidnas
- Redlands Roos
- Riverside Rays
- Southside Sea Eagles

### District trials & selection

- Trials are run by trained volunteer officials
- Schools must confirm student eligibility, readiness, and skill level
- Selection panels ensure fair and transparent processes
- Selection decisions are final and accepted upon nomination
- **All paperwork must be submitted on the day – no paperwork, no trial**

### What families need to do

- Monitor school communications for sports and trial dates (advertised through the CSS website, Facebook page and advertised at school). Trial dates for individual sports are also advertised on the school calendar.
- There will be sign-up sheets outside the new PE office where students can indicate their interest in trialing.

- Ensure students meet eligibility and bring any equipment needed for the school trial where necessary.
- Understand selection in District teams is highly competitive. There is an expectation that students trialing have had/are having experience playing the sport they are trialing for. Most District trials are for U12 teams (Netball and Rugby League are the exception as there are U11 and U12 teams selected). Whilst 10 Yr old students are invited to attend trials, they need to be aware that they will be competing against 12 Yr old students in most cases.

### More information

- Metropolitan East School Sport: <https://meteastschoolsport.eq.edu.au>
- District sport overview: <https://meteastschoolsport.eq.edu.au/district-sport>
- District pages are available on the website

We are committed to delivering an inclusive, transparent and positive representative sport pathway for all students.

Thank you for your continued support as we launch our five new districts within the Metropolitan East School Sport region.

Warm regards,  
The CSS PE Department (Monique Elliott, Tara Morgan and Megan Lopez)
